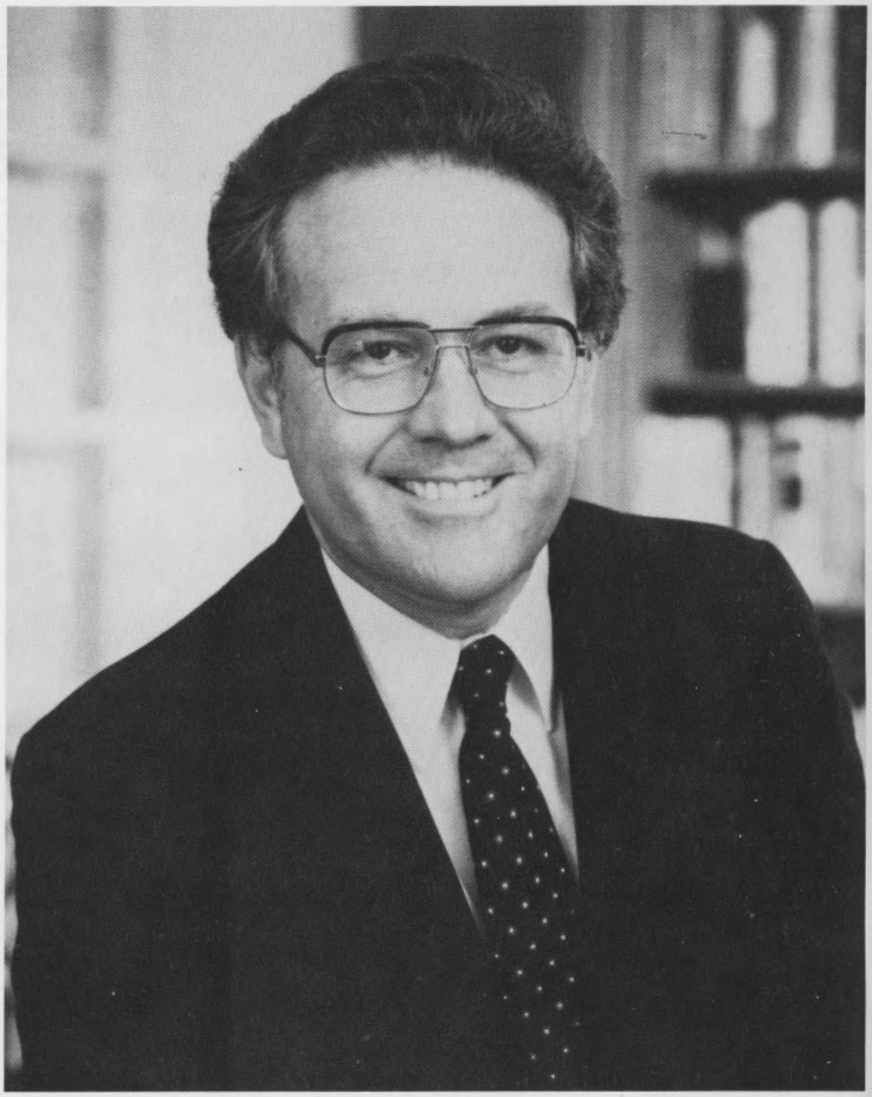
1988 Who's New at Kalamazoo

Welcome
lass of 1992;
Transfer
Students



Welcome Class Of 1992

To the Members of the Class of 1992:

It is with great pleasure that I welcome each of you to Kalamazoo College. I look forward to sharing the excitement of the next four years with you.

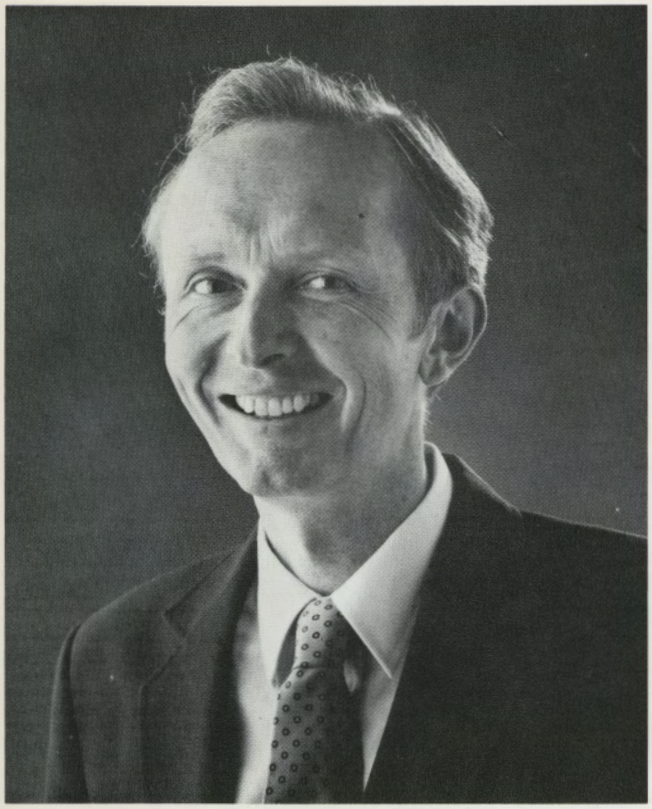
During my years at "K" College, I have developed an appreciation for the diverse experiences you will have as you progress through our unique curriculum. In addition to greater knowledge, skills, and independence, you will also gain many lasting friendships that will continue and deepen during your years as alumni. I hope you will make the most of the many opportunities that await you.

I look forward to meeting each of you personally, and offer my best wishes for a productive and rewarding college career.

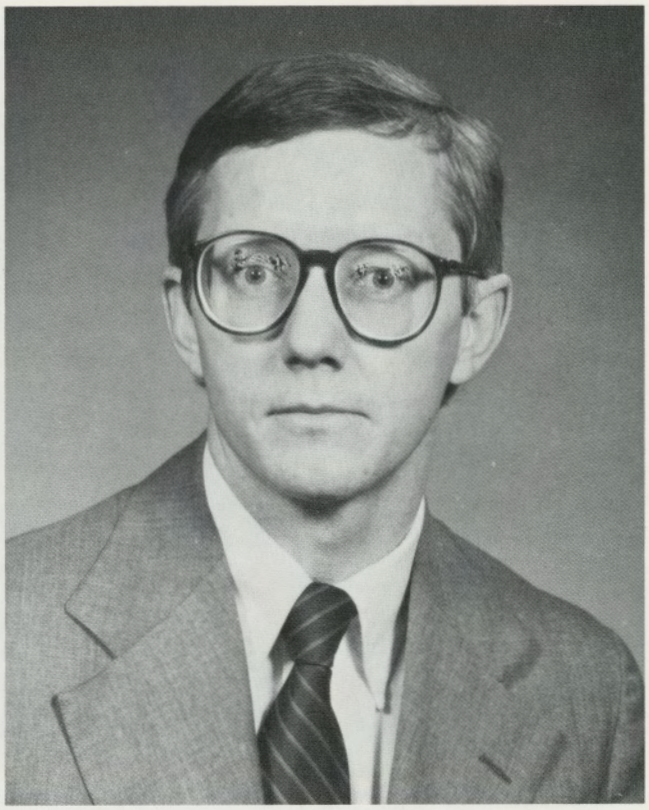
Sincerely,

David W. Breneman

David W. Breneman
President



Dr. Timothy Light
Provost



Mr. Thomas Ponto
Director of Business and Finance

Mr. Jake Baas
Vice President for Planning and Development

Dr. Marilyn LaPlante
Dean of Students
Associate Provost

Paula Casas
President, Student Commission
Winter/Spring

Janine Bologna
President, Student Commission
Summer/Fall

Welcome class of K'92! So you finally made it to college. It may have seemed like a long trip but the years to come will take you on even farther excursions. The new challenges that are to confront you will make you more attentive to the changes that occur around you. Fall quarter is marked by an examination and study of one's own insecurities and beliefs. As the trees burst into autumn with orange and yellow leaves they are soon sedated by a blanket of white chills. These rapid changes in this season mirror the transitions in you. This cycle moves continuously and uncontrollably. It works at developing you as an individual, which will bring about different interests, different friends and new ideals.

Each part of "K" 's unique program is a short trip away from the campus scene. However, your growth takes place off campus as well as on campus. Wherever you choose to go for you CD, foreign study and SIP, you will realize that your abilities will only be confined by the limits you place on yourself. The energy you will bring back to our campus can only enhance your present life and that of your future. You can incorporate this fervor into participating in the activities on this campus, such as the Index, or Student Commission, or sporting events or theater.

As the years progress, your growth as a student will nurture the growth of the college community. And we can only hope that your transitions will be as graceful as the seasonal changes on our Arcadian hill.
