Hope won team batting with .257, well under the record of .290 set by Hope in 1964. Don Kroodsma's 1.95 ERA is good, but not close to Joe Bosworth's record of .23 for Hope a year ago.

Gary Jones of Albion had 5 RBI against Calvin to tie Keith Parker of Olivet for the RBI title - first time there has ever been a tie in this category.
Both were 1 short of the record of 14 set by Alma's Pat Murphy last year.

Olivet won its first MIAA baseball title since 1908 - 57 years - and its first in any sport in the league since the Comet golf title of 1937.

Tie for batting title for first time in history, with Jim Pobursky of Olivet and Jon Mulder of Calvin having identical 40-17 for .425 figures. They are the first players from either school to ever win a batting title. Mulder had 5 hits in 7 AB against Albion Wednesday to move up from .264 to the tie with Pobursky, whose league season had been completed the previous Saturday.
