Dear Jean,

I have watched you grow from a tiny tot to a beautiful young woman, whom I love a lot. I am very proud of you. Your Granddad, would be so very proud of you too; like he would always say, “That’s my granddaughter and my pal.” Your smile is beautiful, your personality is tops.

Give of your best in all that you do. Whatever you choose, whatever you do in the years to come. May God bless and keep you.

All my love,
Grandma

She is my Godchild and I love her dearly. She is a sweet young lady and very smart. She is always there when someone needs help. I wish her the very best. May our Lord protect her and give her a happy life.

Jamie,

People sometimes find themselves apart, but the special feeling of togetherness that keeps them close never goes away.

It seems we seldom take the time to say how much we care. So many times the heart is full of memories that we treasure, but we just don’t take the time we should to express what’s in our hearts.

We’re sure you know the many times our love has overflowed, but oftentimes it goes unsaid how much we really care. We’re taking this chance to let you know we love you.

We are filled with heartfelt thanks for all you’ve done.

We respect the person you are.
We respect the things you’ve done and the efforts you’ve made.
Jamie, you have our respect and most of all our love.

CONGRATULATIONS!!!!!!!!

Mom & Bruce
