Jamie,
people sometimes find themselves apart, but the special feeling of togetherness that keeps them close never goes away.

It seems we seldom take the time to say how much we care. So many times the heart is full of memories that we treasure, but we just don’t take the time we should to express what’s in our hearts.

We’re sure you know the many times our love has overflowed, but oftentimes it goes unsaid how much we really care. We’re taking this chance to let you know we love you.

We are filled with heartfelt thanks for all you’ve done.
We respect the person you are.
We respect the things you’ve done and the eforts you’ve made.
Jamie, you have our respect and most of all our love.

CONGRATULATIONS!!!!!!!!
