Coach Jeanne Hess has coached the Kalamazoo College volleyball team since 1984. In 1991, the team finished fourth in NCAA Division III rankings, and Hess was voted Midwest Region Coach of the Year. The last five seasons have left her teams with an impressive 144-47 record, berths in four NCAA tournaments, and four league titles. Hess holds a BA from the University of Michigan—where she played four seasons of varsity volleyball—and an MA in exercise science from Western Michigan University.

In memory of Joelluin Masters

December 5, 1968 - May 10, 1996

Can you go back in time to a place in your mind, to the one who knew a part of you that you just couldn't find. If you ask me to choose between a memory or two, when it's said and done I'll choose the one who's love I had to lose. When she danced I lost my innocence. I loved her then . I always will. She left with me a burning memory. She took with her a part of me.

Amnesty's emblem is a candle in the wind wrapped in barbed wire, the wire encircling, the candle flame bent but not blown out; maintaining itself.

One doesn't end torture, it is brought to and end. Slowly and with enormous effort, friction, energy, like a locomotive brought to a standstill. For we are dealing with momentum here. There are moments when it seems futile and yet, as the old freedom song reminds us, "*one and one make a million*," suggesting an effort of vast numbers, worldwide, something that large. A collective will.
--Kate Millet, *The Politics of Cruelty*

The Student Activities Committee coordinates the major campus wide events, such as, Homecoming, Exam Week Extravaganza, Monte Carlo, Air Band, Spring Fling, Blood Drive, Club "K", Bahama Boogie and Quadstock. This committee also sponsors the special events, such as, comedians, accapella groups, jugglers and hypnotists.

The following students were members of the Student Activities Committee (SAC) for one or more quarters summer 1995 through spring 1996:

The 1995-1996 Boiling Pot is quite different from other yearbooks you may have seen. It is my belief that people do not buy yearbooks to hear what editors have to say. Students and faculty members purchase yearbooks to have collections of pictures of the people and events which meant the most to them. With that in mind I offer you "Images" the 1995-1996 yearbook of Kalamazoo College. "Images" contains few words, instead it is focused upon the students here at "K". These pictures should not need an editor's explanation, you will remember these people without my words.

Most of the photographs pictured in this book were taken by Peter Preuss, Rebecca Klinepeter or the students who submitted them.

"Images" layout, sales and advertisement were also completed by editor Rebecca Klinepeter.
