Mazel Tov!
It has been such a pleasure to watch you grow from a delightful child into a lovely and capable young woman.
All our love,
Mom & Dad

Congratulations, Rebecca Avery!

Ever since you were a young child, you have demonstrated a desire to learn and to have new experiences.

At Kalamazoo College, you were able to broaden your horizons and to mature into a wonderful young woman.

We hope you will continue to explore and learn throughout your entire lifetime, always secure in the knowledge that we love you very much.

You are our joy.

On To The Next New Door

This year has been a year of change: a new President, a new Provost, tons of new professors, a new K plan, an entering class that will be here in the new century: the Class of 2000, new organizations, new rules, a newly redone dining hall, plans for a new schedule, a newly redone CD Center, a new portfolio requirement, a new e-mail server, and just a new K.

Therefore, naming this year's yearbook "Opening New Doors" only seemed appropriate. Little did I know that even more new changes would come about through the year...and this has led me to believe that the choice of names is a perfect fit.

I would like to give special thanks to:

Shannon McVay- without your hours of help, my brain would be fried by now.

Pam Beitzel- thank you for showing me the ropes and believing in me.

Chris Dragisic, Cari Pattison, and Heather Booton- without your great pictures to fill in the missing spots this book wouldn't be so much fun!

John Garlits- thanks for listening to me talk (babble) about the book, for giving me a shoulder to lean on when I was frustrated, and for helping me loosen up in those tense times. I'm really going to miss you.

Kyla Wonderleigh & Becky Holm- for making me feel good about the book, always giving me a smile, and keeping me company in the Boiling Pot room. May the "Harmon hall quad" live on!!!

Aileen Wagner- for throwing the responsibility of the yearbook my way. It has made me a better person, & I've actually loved doing it!!

I would also like to thank Barb Vogelsang, Jenn Combes, the many people that I kicked off the front computer in Dewing, the people who gave me photos, and the thousands of people who helped me name the student body.
