

## Theses: 1920-1952

- Edythe M Abernethy, The Technique of Child Placing. Sociology, 1939. 3Copies.
- Brooke D. Aspergren, Quanternart Ammonium Salts. Chem, 1941.
- Otis J. Bouwsma, Municipal Licensing. M.A., 1941.
- Robert G. Beaumier, Municipal Personnel Classification. M.A., 1937.
- William E. Burt, The Chemistry of Vaso-Pressor Substances. Chem, 1939. 2 Copies.
- L. David Carley, Administrative Adjudication at the Municipal Level. Pol Sci., 1952.
- George Cartland, Researches in the Chemistry of Lipoids, with Special Reference to those Found in the Ovary. Chem, 1925.
- Alice Chen, Youth Groups in the United States. Sociology, 1948. 2 Copies.
- Douglas Clack, Local Business and Industrial Fluctuations and their Effects upon Unemployment in Kalamazoo, MI. Pol Sci., 1940.
- Harlan A Colburn, Jr., Quaternary Ammonium Salts as Germicides: Synthesis of Dimethyl Alkyl Amines and their Quaternary Ammonium Salts. Chem, 1949.
- Versa Cole, Some Factors Influencing Calcium Metabolism with Special Reference to Potential Alkalinity. Science, 1928.
- Theodore W. Conger, The Chemistry of Vaso-Pressor Compounds. Chem, 1936. 2 Copies.
- DW Criswell, Dependency, Delinquency and Crime in Kalamazoo. Sociology, 1937. 2 Copies.
- Ethyl M. Cronkite, The Synoptic Gospels and their Sources. M.A., 1928.
- William F. Danielson, Jr., A Criterion for Evaluating Public Personnel Publications. Pol Sci., 1950. 2 Copies.
- Winifred E. DeYoung, A Comparative Analysis of the Case Load of the Kalamazoo Civic Improvement League Two Years Before and Two Years After Novermber 1929: A Casual Study. M.A., 1952.
- Robert E. Distin, Alphadelpha Association: An Experiment in Communitarian Co-operation. M.A. 1952.
- Muriel Annette Dowd, The Early Hebrews and Present Day Nagas. M.A., 1926.

- Christine Flower, Culture Patterns as Factors in Mental Diseases. Sociology, 1934.
- Jack J. Foster, Job Evaluation Procedures with Emphasis on Salary and Wage Determination. Pol Sci, 1947. 2 Copies.
- Bryant Fullerton, Researches in the Chemistry of Proteins, with Special Reference to those Found in the Ovary. M.A.. 1925.
- William Lee Garbrecht, Investigation of the Preparation of Certain Benzoisoquinoline Derivatives with Possible Symphtholytic Activity. Master of Science, 1949.
- Lawrence C Greene, Emulsion Studies of the Cross Section for the Production of Cosmic-Ray Stars in Metallic Foils. Master of Arts, 1950.
- Frank E. Greer, On Sulfoxylates and Hydrosulfites. Master of Science. 1921.
- H. Colin Hackney, The Administering of Justice through Procedures. Pol Sci., No Year.
- Janet G. Hall, The Preparation of Certain Ketols and Related Substances. Chem, 1946.
- Elton W. Ham, A Cooperative Retirement System. Pol Sci., 1947. 2 Copies.
- E.R. Hames, Delinquency in Kalamazoo. Sociology, 1933. 2 Copies.
- Harold Hayward, A Comparison of the Teachings of Jesus and Teachings of Paul. M.A., 1935.
- Arthur E. Heming, Jr., A Study of the Nitrogen Distribution in the Water Extractive Fraction from Fresh Beef Adrenal Glands – the Non-Basic and Lysine Fractions. Chem, 1938. 2 Copies.
- Hazel May Hinga, The Aesthetics of the Comic. M.A., 1993.
- Kenneth Hinga, The Americanization of the American Novel. English, 1940.
- Harris H. Hopkins, Researches in Plant Chemistry. Chem, 1920.
- Ralph Bowen Howard, Jr., The Chemistry and Synthesis of N-Substituted Phynyl-Propyl- and Isopropyl Amines. Chem, 1941. 2 Copies.
- Estella M. Hughes, Problem Alcoholics in a State Mental Hospital and on Parole. M.A., 1940. 2 Copies.
- Warren M. Hyser, The Scheduling of Public Works Operations During the Reconversion Period in Order to Correlate Public and Private Employment in a Community. M.A., 1946.

- John Henry Koehneke, The Synthesis of Some Amines Related to Ephedrine. Chem, 1945.
- John P. Cambooy, The Chemistry of Bronchodilator Compounds. Chem, 1938.
- C.D. Larsen, The Vitamin B Complex. Chem, 1931.
- Frank H. Lincoln, Jr., Investigation of the Preparation of 4-Aminocenaphthene. Chem, 1947.
- Ed Lincoln, A Study of Ephedrine and Related Compounds. Chem, 1946.
- Ralph W. McKee, An Analytical Study of the Preparation of Aluminum Hydroxide Adsorbents for the Conadotropic Hormone of Pregnant Mares' Blood with Special Reference to the TypeA Aluminum Hydroxide of Willstatter. Chem, 1935. 2 Copies.
- Robert Martens, The Construction of an Apparatus for Determining the Solubility of Salts in Liquid Ammonia, and for Determining the Effect on the Solubility Produced by the Presence of Other Salts. Chem, 1932.
- Magnus A. Michalsen, The Salvation Army as a Social Institution. Sociology, 1957.
- John D. Montgomery, Administrative Objectives and Measurements in Public Employment. Pol Sci, 1942.
- Robert Bruce Ogilvie, Pyrrolidyl Alkanol Esters. Chem, 1948.
- Fred W. Palmer, A Thesis. Science, 1933.
- William M Perkins, Citizens Self-Survey of Local Government: A Case Study of Wilton, Connecticut. M.A. 1958.
- Earl Pierson, The Preparation of Hydroxy Substituted  $\beta$  - Phenyl Propyl Amines. Chem, 1937.
