All the preparatory Students have exercises at least once a week, in reading, spelling and the formation of English sentences.

Students whose previous studies in English enable them to do so, may take the Latin of the first two years in one year, and so complete the preparation for the Freshman year in college in three years. But this is recommended only to those who have maturity of mind and are thoroughly grounded in the principles of Grammar.
REGULAR EXPENSES.

Tuition in any Department.............................................$6.00 per term.
Incidentals, including use of Library....................................2.50 " "
Room Rent.................................................................$4.00 to 5.00 " 

A Matriculation Fee of five dollars is to be paid on first entering the College classes. The fee goes to the Library Fund.

Students not occupying rooms in the College building will not be charged room rent.

There are no dormitories for young ladies in the College building, but they can readily procure good rooms in private houses near the College. A boarding house for young women is in contemplation, and a considerable part of the funds required for that purpose are already secured.

There is no Boarding Hall at present connected with either of the buildings, but approved private boarding houses are located near, where board, either with or without rooms, can be obtained at reasonable rates. Students frequently board themselves in their own rooms, or get their meals in clubs, and thus greatly diminish their expenses. Those who desire it can always find work to do in their leisure hours, and many students pay their way entirely by their labor.

All College bills must be paid at the beginning of the term.
The seat of Kalamazoo College, midway between Detroit and Chicago, is one of the most beautiful towns in the country, well known for its ample streets, pleasant residences, attractive public buildings, efficient churches, and general spirit of refinement.

One of the College buildings, used as a dormitory for young men, contains also the Library and halls for the Sherwood Rhetorical Society and the Philolexian lyceum.

The other building, known as Kalamazoo Hall, contains a spacious chapel and recitation-rooms, together with the hall of the Eurodelphian Society.

A third building is soon to be erected as a Boarding Hall for young women. An efficient organization has been formed by ladies of Michigan, for procuring funds for this purpose, and we confidently look for the early erection of the building.

**DISCIPLINE.**

It is designed to maintain at all times a careful supervision over the students, both as regards their attention to study, and their general habits and deportment.

While the government of the college aims to secure order, and to cultivate habits of prompt obedience to good laws, it will seek, also, as much as possible, to throw the students upon their own consciences and sense of honor, aiming constantly to elevate them to the dignity of self-governing men and women.
RELIGIOUS EXERCISES.

All students are required to attend the regular daily worship at the chapel, and are expected to attend regularly, on the Lord's day, at such of the churches in the village as they or their parents may select at the commencement of each term.

Prayer meetings conducted by the students, and open to all members of the College, are held each week, under the direction of the Young Men's Christian association. Opportunity for mission work is afforded to all who desire it.

LIBRARY.

The College has a spacious and pleasant Library Hall, well furnished with papers and periodicals, which is open to the students for several hours each day. The Library contains about three thousand volumes, and is constantly increasing by donation and by purchase.
LITERARY SOCIETIES.

The Sherwood Rhetorical Society, organized in 1851, and the Philolexian Lyceum, organized in 1855, are composed of young men, who meet each Friday evening in term time, for discussions and other Literary exercises. They have commodious and elegant rooms in the Upper College building, and good libraries.

The Eurodelphian Society, composed of young women, has a handsome room in the lower college building, and also meets every Friday evening.

The officers of the three societies for the current term are as follows:

SHERWOOD.—A. G. Fuller, President; C. E. Monroe, Vice-President; C. H. Bramble, Corresponding Secretary; M. F. Goodrich, Recording Secretary; A. J. Coddington, Treasurer; R. C. Fenner, Librarian; H. W. Clough, Janitor.

PHILOLEXIAN.—Allen E. Clough, President; Walter H. Merritt, Vice-President; Charles M. Holmes, Secretary; Leonard H. Stewart, Corresponding Secretary; Harry H. Pettee, Treasurer; F. D. Haskell, Librarian; Jas. McNeal, Janitor.

EURODELPHIAN.—Mary A. Peck, President; Margaret A. Abbott, Vice-President; Ida Z. Moxom, Secretary; Julia C. Russell, Treasurer; Alice E. Sawtelle, Editress; Anna Whipple, Librarian.
PRIZES.

Three prizes are offered each year as follows:

1. The Sherwood Prize, endowed by the late Rev. Adiel Sherwood, D. D., of St. Louis, given for the best declamation by a Freshman, at a public contest. This contest for the current year will take place on Tuesday, June 19th.

2. The Cooper Prize, endowed by Charles Cooper, Esq., of White Pigeon, given for the best delivery of an oration at the Junior exhibition.

3. The Tupper Prize, endowed by Rev. Kerr B. Tupper, of Marquette, given for the best oration delivered at the Junior Exhibition. This exhibition for the current year will be given on Tuesday, June 19th.
