

field hockey

Coach Loveless is expecting good effort and good results this year from a seasoned field hockey squad that is now familiar with the changeover to a system of play which is very similar to soccer. Seven letterwinners, including three players selected to the Michigan Colleges field hockey teams, will be back along with seven experienced members of the 1977 junior varsity team and will attempt to better last season's 2-6-2 record. Sophomore goalie Lori Ayre, a 1977 Michigan Colleges first team choice, and Cindy Ackerman, sophomore forward who was selected for the 1977 second team, are both expected to be worth watching. Christy Bishop, who was selected for the 1976 Michigan Colleges first team and who tied the school record of nine goals in one season, is expected to be a team leader. All six returning sophomores saw varsity action their freshman year and show good promise for the 1978 season.
