

# WOMEN'S BASKETBALL

The 1978-79 edition of the Hornet women's basketball team should be a much-improved squad. Last year's mark of 4-6 in the MIAA should fall by the wayside, as the revised program shows improvement. The team will be led by three returning sophomore letter winners, Lori Ayre and Becky Gray, two quick guards, and center Lynn Teichman. A strong group of enthusiastic freshmen will reinforce the strength and depth of the Orange and Black. Coach Janis Nichols is looking forward to working with this fine squad and is optimistic that they will take giant steps toward a winning season.

## THE 1977-78 RECORD

MIAA Conference Play - Won: 4      Lost: 6

Over-all Record - Won: 5      Lost: 11

## COACHING STAFF
