

Kalamazoo College at a glance

Founded in 1833, Kalamazoo College is the oldest college in Michigan and is among the 100 oldest colleges and universities in the nation.

"Kalamazoo in that Michigan city is another gem that, if sited in New England, would be terribly tough to get into, but...is better than most Eastern schools. Furthermore, Kalamazoo is more attractive and more alive than any Eastern or Western city of anywhere near the same size."

Looking Beyond the Ivy League, by Loren Pope, former *New York Times* education editor

Kalamazoo was mentioned as being among a selective group of schools that "...earn high praise for their academic quality; at the same time, their costs are comparable to, or less than, colleges with similar academic strengths."

The College Finder, by Steven Antonoff, PhD

"Kalamazoo College is 13th among all colleges and universities in the nation in the percentage of graduates who earn doctoral degrees in all fields."
1994 Higher Education Data Sharing Study

Kalamazoo College was ranked highest among the national liberal arts colleges in Michigan in *U.S. News and World Report's* annual 'America's Best Colleges' guide.

U.S. News and World Report, September 26, 1994

"...students continually report that they are getting their money's worth in terms of faculty attention, inspiring and useful programs, and personal and professional development."

The Facilities

The Kalamazoo College Natatorium (The Hornet's Nest) is one of the finest facilities of its kind. Built in 1969, it was extensively renovated in 1985. One entire wall of the natatorium is glass, affording a beautiful view of the campus. The natatorium is directly across the street from the Anderson Athletic Center, which houses the College's main gymnasium, two weight rooms, a dance studio, saunas, classrooms, a conference room, and athletic offices.

1994-95 Women's Swimming and Diving Outlook

The Kalamazoo College women's swimming and diving team will look to build on their proud tradition of excellence in the 1994-95 season. Kalamazoo was very young last season; 250 of the team's 302 points at the Michigan Intercollegiate Athletic Association Championship Meet being scored by first-year swimmers. Even with the youthfulness of the team, the squad was named a National Coaches Association All-Academic Team for a fifth consecutive year. With many swimmers having gained valuable experience last year and another solid class of first-year students joining the squad, head coach Lyn Maurer expects to move up in the conference standings this season.

To regain the league dominance that led the team to first-place conference finishes in both 1990 and 1991, the team will have to rely upon the strength of their youth. Leading the charge will be a pair of sophomores who both qualified for the NCAA Division III Swimming and Diving Championships in their rookie campaigns, Christine Mungall and Juliet Rivera. Mungall, an All-MIAA butterfly and breaststroker, set a new school record in the 100 butterfly and recorded the team's fastest 100 breaststroke time of the season. Rivera, a sprint freestyler, posted the team's fastest times in both the 50 and 100 freestyle events.

Providing senior leadership will be captain Michelle Michael, who is the school record holder in both the 100 and 200 backstrokes. She will be joined by fellow senior Kate Granfield, a distance freestyle specialist.

The sophomore class will provide additional outstanding swimmers in Jennifer Korb, Jennifer Brown, Jessica Mason, Katie Rosenfeld, and Amy Curry. Korb was the team's strongest 200 butterfly and also posted team best times in both IM events. Brown is one the team's best breaststrokers and provided depth in the IM events. Mason is one of the team's top returning sprint freestylers. Rosenfeld was a league finalist in both the one- and three-meter springboards. Curry, who was the

team's most improved swimmer, is a top distance freestyler.

A promising group of first-year students are unproven as collegiate swimmers and divers, but possess solid credentials. The class includes Dianna Kent, a state qualifying diver from Kalamazoo Central High School; Bebe Lloyd, a talented diver from Akron, Ohio; Jennifer Boylan, a versatile Dearborn High School athlete who can swim the breaststroke, butterfly and IM events; Anne Hearn, a strong butterfly and sprint freestyler from Flint Powers High School; Karrie Huston, a sophomore transfer who swims the backstroke events; distance freestyler Debra Knickerbocker from Kalamazoo Loy Norrix High School, and diver Janna Giroux

from Cincinnati, Ohio. All will be counted on to score valuable points at the MIAA championship meet.

The Hornets will need to maintain their focus throughout what will be another tough dual-meet season. Highlights of the season will include dual meets against other top NCAA Division III opponents Hope College, Emory University, Wheaton College, and DePauw University, as well as a midseason shave and taper meet at Eastern Michigan University. Dedication, a strong team work ethic, and a typically great Hornet shave and taper should make for another successful season for the squad.

Head Coach Lyn Maurer

Lyn Maurer has coached the Kalamazoo College women's swimming team since 1970. Her overall coaching record is 128-87, with an impressive MIAA record of 71-30. Her teams have won five league championships, including consecutive titles in 1990 and 1991. Maurer holds a BA and an MA from Western Michigan University. An associate professor of physical education, she is also director of women's athletics at Kalamazoo College.

Diving Coach Ron Bramble

Ron Bramble returns as the Hornet diving coach. A 20-year coaching veteran, Bramble has coached five high school All-America divers, including the number-one-ranked high school diver in the United States in 1991. He has also coached several All-America divers at Kalamazoo, including one national champion. Bramble was an All-America diver at Indiana University.
