To the Board of the Baptist Convention of Michigan.

The Committee on Ministerial Education would report that your Professor, H.L. Wayland has continued at the work assigned him during the term now closing which makes one third of a year of teaching service. & he is entitled to an order for the same, to the amount of $333.33, which, we request, may be granted him.

Your Committee [sic] also submit here with the report of a Sub-Committee of our members which was adopted as a part of our report to the Board, that you may give it such consideration as the case requires. (See report)

In view of the importance of Theological education, & the considerations named in the paper refered [sic] to above, your Committee voted unanimously that in their judgement [sic] this work of theological education should be renewed & carried forward with vigor.

Accompanying this report is a statement from Prof. Wayland touching his work & matters of interest in the College.

(See report.)

Respectfully Submitted

J.A. Clark
