Dear Brother Lons  
I should have answered  
yours sooner but, just  
returned from St Clair —

It impossible for me to  
pay more than the interest  
on my note in my straitened  
Circumstances. I paid int  
last fall Oct 17<sup>th</sup> to L Helboore  
by Jacob Lomise at our assoc-  
-ation last fall —

It was with the privilege of  
paying the interest as long as I wish  
that I gave any note. I am with  
a poor church & sympathy has kept  
me here but it is but a poor living  
that I get. but intend soon to try  
to do better — and will do as fast as  
possible — yours truly  
E. Westwood;
