Letter 441b, Kalamazoo College Baptist Collection**

Transcribed by Kaspar Hudak, Class of 2019

Feb 14th 1861.

Dear Brother Jones

I should have answered yours sooner but, ^{have} just returned from St Clair —

It impossible for me to pay more than the interest on my note in my [straitened?] circumstances. I paid int last fall Oct 17th to L Hellowse by Jacob Looimse at our association last fall —

It was with the privilege of paying the interested as long as I wished that I gave any note— I am with a poor church & sympathy has kept me here but it is but a poor living that I get but intend soon to try to do better – and will do as fast as possible — yours truly
