(Ethel Girdwood Bachelor may remember the four names that I can not recall. Helen Fletcher Chisholm is in Kalamazoo also. She may remember, if Ethel does not.)

(The Glee Club picture in the Boiling Pot was taken that same year - 1907-'08. It was the first and original Glee Club, organized and directed by Prof. Robt. Holmes, who taught Latin between Dr. Brook's death and Prof. Bailey's arrival. I can furnish those names also, if they are desired. The pictures in the archives should at least be dated correctly.)
