Kalamazoo College Dramatic Club

PRESENTS

"Seventeen"

By

BOOTH TARKINGTON

Directed by

MISS MILDRED TANIS

March 14, 1923

At

THE FULLER THEATRE
"Seventeen" is the first long play produced by the Kalamazoo College Drama Club. Since the club was founded in 1920, its members have been looking forward to their first big play. Twice unfortunate circumstances have cancelled prospective long plays. Under difficulties, however, the Drama Club has cheerfully pursued its ideal of drama for the sake of drama. It has not only followed extensive courses of study, but also has produced successfully nine one-act plays, the last three having been given at Lincoln Auditorium. The club is one of the most prominent on the college campus and promises to be so in the future.
