Materials submitted to the Kalamazoo College Digital Archive (CACHE) will be accessible through the Internet and indexed by search engines like Google. This form allows copyright holders to recommend the level of access for their work through CACHE. Copyright holders may indicate greater or more restrictive access than Kalamazoo College would normally place on archived materials (see the Kalamazoo College Digital Archive Policies (https://cache.kzoo.edu/handle/10920/104). Ultimately, Kalamazoo College reserves the right to determine the access level of materials in CACHE.

Regardless of access level, this material is protected under the provisions of U.S. Code Title 17. Any copying of this work other than “fair use” (17 USC §107) continues to be prohibited without the copyright holder’s permission.
