Congratulations, Sid!
Time has gone by so quickly and our cute, little boy has grown into a handsome, confident man. You have brought much joy into our lives, and we are proud of your accomplishments. You have been our dream come true and may all your dreams come true, as well. Good luck in medical school. All the best and always stay happy. God bless you.

Love,
Mom and Dad

CONGRATULATIONS HOLLY!
We wanted to list all of your accomplishments and the great things about you, but then there wouldn’t be room for anything about anyone else! Know that you are loved more’n a whole lotta luggage (even the lint in Gayle’s belly button!)

XOXO,

Congratulations on Graduation!

How proud I am,

mere words can not say,

And I know Mother would feel the same way....

Continue to work hard,

treat others fairly, and

follow your dreams....

I look forward to hearing

of your future accomplishments

and proudly telling everyone

that you are my Son.... June 2000

In Memory of the loved ones we lost this year.

We remember Maggie Wardle '02 who died on October 18, 1999. She was a member of the Kalamazoo College golf team and symphonic band. Many of us hold a special place for her in our heart.

We remember Dr. Ben Davies, assistant professor of physics, who died on September 27, 1999.

We remember Jessica Lowery '00 who died on August 2, 1999. She was a political science major with a concentration in Third World Cultures. She had recently returned from her study abroad experience in Kenya.
