THE
BOILING
POT

nineteen hundred and forty eight
THEN and NOW

seem to be very far apart. Only when we catch the spirit of such a fellowship as Kalamazoo College do we realize that past and present are not separate bits of time; rather, they are parts of a continuous whole. For this college, as for the persons who constitute a part of it, "then" and "now", are parts of a chain of events, principles, personalities, places, traditions. The Kalamazoo College of College Division and Female Seminary, of rigid curriculum liberally sprinkled with Latin, Greek, and mathematics, of Wheaton Lodge and Williams Hall, are but older links in the chain of which the year of our graduation forms the newest, and as yet unfinished, link.

1948

The unbroken chain which is the true spirit of Kalamazoo College remains so because hundreds of others before us have felt its significance and have striven to preserve and strengthen it. They have upheld standards of intellectual integrity; they have created an atmosphere which recognizes the intrinsic worth and importance of the individual personality; they have instituted the traditions which make college days dear. To these faculty members, students, and friends, known and unknown, who have created the College which has given us inspiration never to be lost and memories never to be forgotten,

WE DEDICATE
The 1948 Boiling Pot.

The 1929 May Fete

ORGANIZATIONS

The 1947 May Fete Queen and Her Court
SENATE

The Senate, official representative of the Student Body of Kalamazoo College, occupied its usual prominent position in campus activities during 1947-1948.

The Senate was represented for the second consecutive year at the Midwestern Student Government Association Convention held at MacMurray College.

A Snow Dance was to be held in January on the packed snow on the quadrangle, but the zero weather intervened and the dance was moved inside to Hoben Lounge.

The annual Washington Banquet and Dance was held February 21. Mr. Lee White, Public Relations Director of the Detroit News was the banquet speaker. Dance guests were greeted by President and Mrs. Thompson dressed as George and Martha Washington.

The second semester was highlighted by the Model Republican National Convention, April 24, 1948. Began in 1932, the Convention this year was attended by high school students from Michigan and neighboring states. It followed as closely as possible the Republican National Convention procedure. The central committee was headed by Gordon Kurtz.

Other Senate sponsored events included the Homecoming activities, movies in Bowen Auditorium, and the freshman orientation program. The advisers of the Senate are Dr. Peacock, Dr. Maxwell, Dr. Dunsmore, and Miss Thompson.

WOMEN'S LEAGUE

The Women's League is the organization of all the women on campus. Its purpose is to promote unity among town and dormitory students by sponsoring certain activities and projects.

Each year the League opens the fall semester with a Big-Little-Sister Party to give the old students an opportunity to become acquainted with the new ones. Other events that the League sponsors annually include the Ginning Banquet, the Christmas Carol Service, the Valentine Formal, a spring style show, and the May Fete.

The entire Women's League meets once each month for a business meeting and an educational and social program. The League Council meets each month to transact the business. It is composed of the elected officers, appointed committee chairman, and three faculty advisers: Miss Donaldson, Miss Diebold, and Miss Earl.

MEN'S UNION

The Men's Union was active during the school year. Elections were held at the end of the spring term and under the direction of its capable cabinet, the Union went about its work of endeavoring to bring the men of the campus together.

Two of the events that highlighted the activities of the past year were the showing of moving pictures of the Kalamazoo College football team in several of their games, and the movies of Sidney Sheresman which were taken on his various trips through Mexico, Central and South America. On the eighth of May the Men's Union sponsored an informal dance which rounded out their activities for the school year.

STUDENT GOVERNMENT
Early in September it was unanimously assured by residents of both Hoben Hall and the New Dormitory that the two houses should be governed as a single unit. Consequently, a Joint Governing Board consisting of the President, the Secretary, and one Representative from each house was organized, and a constitution was drawn up and adopted. The success of this experiment has been apparent in all areas of dormitory life. The Governing Board meets regularly once a month and holds extra sessions when the need arises. It appoints a Financial Secretary and a Social Chairman. The House Director, Mr. McCreary, is a member ex-officio of the Board.

"The end of learning is gracious living". Around these words are centered the lives and activities of 170 girls, for it is the motto of the women of Mary Trowbridge House. Spreads, discussions, studies, and dates all go into creating the friendly atmosphere for which it is well known. Some of the special occasions of the year are the annual fire-lighting ceremony after the first snowfall, the open houses, and the spring formal. The first semester, due to the increased enrollment, fourteen freshman girls lived at the Lovell Street House, but the second semester they followed the Hoben girls of two years ago and moved into Mary Trowbridge to live.
HOMECOMING

Our Cheerleaders — Mary Jenkins, Beth Ann Roy, William Jones, Marilyn Davis, Robert Green.

Our Cheerleaders — Mary Jenkins, Beth Ann Roy, William Jones, Marilyn Davis, Robert Green.

The winning Alpha Sigma Delta Homecoming display in front of the Library.

The Century Forum won the "Boiling Pot" with the theme "Ship to Shore."
COLLEGE SINGERS

"You're on the air!" These are familiar words to the members of the College Singers, for many of the radio programs of this second year of broadcasting from Stetson Chapel were presented by the group. Perhaps the highligt of radio experiences was the national hook-up over which the Singers were heard from coast to coast when they sang on the A. B. C. program "Our Town."

However, radio is not the only field of activity in which the group participates. The College Singers leapt into a busy concert schedule early in the year when they had the opportunity of singing before 2700 educators attending a teacher's convention in Kalamazoo during the third week of school.

The College Singers are best known on campus for the many and varied programs they present during the year for Thursday morning musicals. They also provide special music for chapel services and Religious Emphasis Week.

The capable officers for the year were: Albert Grady, president; Elaine Dryer, vice-president; Margaret Seibert, secretary; Robert Cross, treasurer. College Singers are under the direction of Mr. Overley.

CHRISTMAS CAROL SERVICE

On the evening of December 13, one of the most impressive traditions on campus was held in Stetson Chapel. The Christmas Carol Service, presented annually by the Women's League was under the direction of Professor Over­ley. The seventy carolers sang English, Welsh, and Burgundian carols alternated with vocal and organ solos in addition to choral and piano duets.

Nancy Vercoe, chosen by a student-faculty committee, presided over the candlelight service as the Spirit of Christmas. Wearing the traditional red gown and carrying a large taper she summoned the carolers to the chancel. Two small pages led her to the great white throne.

Joan Akerman, who acted as narrator, read the "Christmas Story" from Luke, while the rest of the service consisted entirely of Christmas music. The Carol Service was skillfully planned by its chairman, Margery Sebright, and beautifully performed by those who participated. Following the service the annual "Chocolate" was held in Hoben Lounge.
**MUSIC**

The String Trio: Left to Right: Geraldine Lee, Joyce Stowell, Mr. Feman, Roger Murrell, Louise Lacey, Delores De Vries.

The Women's Trio: Left to Right: Elaine Dryer, Dorothy Burgess, Eloise Quick.

The Men's Quartet: Left to Right: Robert Cross, Donald Harrington, William Redmon, William Ives.

**BAND**

The band under the direction of Mr. Feman grew this year into a skilled performing group. As a pep organization they were present at football and basketball games, adding greatly to the fun and general atmosphere. A series of spring concerts was planned which proved that the band has serious intentions as well as lots of spirit.

Individual members of the band took part in many activities on campus, such as assemblies, Bach Festival orchestra, and the dance band.

Jack Thorsberg was president for the year; Bob Anderson, manager; Marcia Banes, librarian; and Ralph Gillam, social chairman.

**OVERLEY SOCIETY**

All students of applied music compose the Overley Society, named after the head of the college music department. Monthly meetings are held in the Chapel under the leadership of Carol Pletcher, president, assisted by the society's officers: Verdonne Peterson, vice-president; Eloise Quick, secretary; James Zahlman, treasurer; and Ralph Gillam, program co-chairman. Music in the society is featured. Brief business meetings, discussions of musical events and literature, reports by the members and Mr. Overley, and refreshments also appear on the agenda of each meeting.

Performing before the members gives these students valuable experience which greatly eases the task of recital participation. These recitals are presented in a series each spring. Mr. and Mrs. Overley are Advisers for the group.
ALPHA LAMBDA DELTA

Introduced to our campus in 1942, Alpha Lambda Delta, national freshman society, is open only to those freshmen women who attain a 3.5 academic average. Membership is maintained throughout the college course.

This year's officers were: president, Margaret Seibert; secretary, Martha Gaunt; treasurer, Donna Legerstee; historian, Jo Anne Dalrymple. Miss Donaldson is the Adviser for the group.

PHI KAPPA ALPHA

The purpose of the Kappa Alpha is to give formal recognition to high scholastic achievement among students of Kalamazoo College. Members are selected from the juniors with a 2.6 average and from seniors who probably will attain a 2.5 average. New members are honored at an initiation banquet.

WHO'S WHO

Being elected by the faculty to represent "K" in "Who's Who Among Students in American Universities and Colleges" is, without doubt, the highest of all Honor's Day titles.

Chosen for their leadership, character, scholarship, and potential value, this year's "Who's Who"ers were: re-elected seniors, Joan Akerman, Maxine Bailey, Gordon Kurtz, Anne Martin, and Bob Reed; seniors elected this year, Jacqueline Buck, Marcia Clemons, Cecil Dam, Jack Powell, Jack Ragotzy, and Anne Whitfield.

SCHOLARS GROUP

The scholars group is a purely honorary organization including all juniors and seniors who have maintained at least a 2.0 or B average. The achievements of this group are recognized at the spring commencement for those graduating, and on Honor's Day for those still attending school.
Kappa Delta Chi, the society for students planning to do full time Christian service, began a new policy this year. One of the two regular meetings each month was opened to all interested students. Special speakers were provided to cover general problems and fields in Christianity. Such a wide interest was shown that this plan will be continued next year.

The Religious Affairs Committee was enlarged to seventeen members this year to cover the religious activity on the campus. Sub-committees in charge of the weekly meditations, monthly worship and hymn-sings, hospitality for visiting clergy, and publicity were set up. A concerted effort was made to fulfill the religious needs of all the students and encourage their active participation.

In view of the increased need for a centralizing force in campus charities, The Campus Chest was approved by the Student Senate this year. It was under the direction of the Religious Affairs Committee. Although it had a late start, the first annual drive was begun in January toward a goal of $1500. The funds were to be used for the World Student Service Fund, and the Cancer, Tuberculosis, and Infantile Paralysis Foundations. A donation was made also to the Kalamazoo Drive for the city of Fougeres in France.
THE INDEX

That a weekly newspaper can emerge from the hodgepodge of apparent confusion that is the Index office on a Wednesday night must be a source of constant amazement to the uninitiated observer.

But, "the proof of the pudding is in the eating," and that the Index does emerge weekly, some weeks, can probably be credited largely to the never-say-die spirit of Editor Anne Whitfield and a few constant members of an ever-changing staff. Mr. Marion Shane is the Adviser.

The Index, like most other productive organizations on campus, was handicapped throughout the year by rising costs and an ensuing lack of funds which made it necessary to cut out entirely several planned issues, and to increase the originally planned size of many others.

Still, the Index rates a "mission accomplished". By strict journalistic standards, the paper has been at least on a par with the best of previous years, and, if demand be any criterion, it has succeeded in its prime function of providing entertainment as well as campus news coverage for the students of "K" college.

William Danielson, Business Manager
and Anne Whitfield, Editor of the Index.

BOILING POT

The Boiling Pot staff plunged in with enthusiasm this year in hopes of producing a good book which would come out by June if possible. Even with these ambitious objectives, their activities were apparent to the student body only as group pictures were taken and copy was assigned. Nevertheless, much midnight oil was consumed from the time the plans were conceived until the work was all in the hands of the printer.

Jacqueline Buck presided as Editor-in-Chief assisted by Marion Poller as Associate Editor while Marcia Clemons served as Business Manager, with Monte Billiot as her assistant. Carolyn Knutson designed the layout and Marvin Moretz and Roger Ewell took care of the photography. Jane Keller served as Copy Editor and Robert Bums as Sports Editor. Miss Virginia Earl was the Faculty Adviser.

Jacqueline Buck, Editor and Marcia Clemons, Business Manager of the 1949 Boiling Pot.
SPANISH CLUB

The newest club on campus, having re­placed the war-time Pan-American Club, is the Club Español. All students who have learned to "hablar" sufficiently to enter se­cond year Spanish are eligible to join. The third Monday of every month is the Fiesta Day, one of the most notable being the Christmas party, with all its pinatas, posadas and peanut shucks. Dr. Olmsted is the club's advisor.

LE CERCLE FRANCAIS

Le Cercle Francais is a group of students who have had the required one year of French and are interested in opportunities to use it and to hear French speakers.

The Bridge party, voted to be an annual project in 1947 was again sponsored by the club. Among the programs were a Christmas play in French and the Christmas chocolate, a French explanation of bridge, and excerpts from a French opera. The adviser of the club is Miss Earl.

INTERNATIONAL RELATIONS CLUB

The International Relations Club, under the supervision of Dr. L. D. Spencer, has attempt­ed, through the use of movies and outside speakers, to make students more keenly aware of international affairs and to give them an outlet for voicing their opinions concern­ing world problems. The club is led by Joseph D'Agostino as president with Donald Culp as vice-president and Winfred Hardy as secretary.

ECONOMICS CLUB

The K-College Economics Club was organ­ized in the fall semester of 1947. Under the direction of Dr. Masten, head of the eco­nomics department, its purpose is to bring noted men to the campus from various fields of economic endeavor.

Each meeting consists of a short informa­tive talk, followed by a discussion and ques­tion period by the students and the guest speaker.

"K" CLUB

During the fall semester of 1947, the letter winners at Kalamazoo College organized the "K" Club. This club will be affiliated with the alumni "K" club and will have an active part through the coaches in setting up the standards of awards. It hopes also to pro­mote sports and to bring about a closer union between the individual letter winners of all sports.
The forensic affairs of the school were under the able direction of Dr. Ethel Kaump. She was assisted this year by Student Manager Mark Zarbock. Again this year Kalamazoo's entries in the various collegiate forensic activities of the country had a highly successful season.

The debate team took on an expanded program and entered into competition with new opponents. Theodore Troff and Norman Armstrong, affirmative team, and Mark Zarbock and Robert Strumpfer, negative two-some, entered the Tau Kappa Alpha tournament at Wisconsin University in March. These two teams comprised the delegation which was sent out against the East Coast Colleges for a series of contests two weeks later. The entire debate squad entered the Michigan Inter-State Speech Tournament and the Pi Kappa Delta Province Tournament, both of which were held at Michigan State College near the end of the year.

John Lundblad and Jack Ragotzy delivered highly notable orations for the men, and Joan Beard and Joan Akerman capably handled the women's orations. The extemporaneous contest drew worthy representatives in Harry Travis and Mark Zarbock for the men and Gwendolyn Schwarz and Carlyn Stroud for the women.
COLLEGE PLAYERS

The Players Club was re-organized this year under the supervision of Miss Eleanor Beum and rapidly became a very active organization.

The fall presentation was a farcical and down-to-earth comedy, "The Show-Off" by George Kelley. Moliere's "The Imaginary Invalid," a French comedy, was the commencement play given at the Civic Theater. Six student-directed one-act plays offered two evenings of entertainment in March.

This year's officers were: Janan GrofL president; Elizabeth Osborn, vice-president; Grace Deitch, secretary; and William Wheeler, treasurer.

"Hallie" (Joan Akerman) and "Stephen" (Jack Ragotzy) about to take a spin in their car. From Maxwell Anderson's "Starwagon."
Time, events, fashions and Kalamazoo College have come a long way since the Euros was formed in 1858. The present fun and business-filled meetings on Wednesday nights are a far cry from the highly formal literary assemblies of 90 years ago, but the spirit of fellowship and the desire for social pleasures are still the same.

This year the Euro activities included the decoration of Welles for Homecoming, participation in the inter-society "sing" and the annual initiation banquet at Inman's. Highlights of the year were the big minstrel show at Open Meeting time and the informal Christmas party in December, plus the steak fry with the Sherwoods.

The Sherwood Rhetorical Society holds forth every Wednesday night in a large and newly redecorated room on the second floor of Tredway Gym. Founded in 1881, this is the oldest society on the campus.

The membership of the society includes a large number of town students. Through the society these students are closely connected with the social life of the society and the campus. Together with their sister society, the Sherwood Club, they have enjoyed such events as a steak roast, toboggan party, and a Christmas party. The serious side of life is attended to by meetings in which the more pertinent topics of the day are discussed by guest speakers who are familiar with current problems. The end result is an interesting and well-balanced program which makes for strong fellowship.

Kappa Pi Literary Society was formed at the request of the Dean of Women and held its first meeting March 30, 1906. Kappa was the second women's society to be formed on the campus.

Annual events on the calendar included an open meeting for new women students, a spring tea for the faculty, and a literary meeting at which Dr. Milton Simpson served as a critic.

Kappas decorated Bowen Hall for Homecoming this year and joined with the Centuries for a wiener roast at Millham Park. The Kappas also took part in selling concessions for both football and basketball games. The first social event of the second semester was a pledge tea and formal initiation for new members climaxing by a dinner at the Coach and Four.

Perpetuating traditions of active participation in all campus projects, the Century Forum, in its 48th year, enjoyed one of its most active seasons since its inception in 1900.

Plunging into the first semester with enthusiasm the society combined with the Kappa Pi's for a wiener roast at Milham Park. Athletic contests and tournaments in varied sports continued through to the spring months. A Century sponsored basketball bus trip to Albion highlighted the winter days on campus.

The social climax was realized in the Spring Formal. The dance was well attended and was recognized as the best in the history of the Forum.

Among the busiest organizations on campus is the Alpha Sigma Delta Literary Society. Again this year the girls have maintained their reputation for completing a full year’s schedule. For the second consecutive year the Alpha Sigs have won the Homecoming football for their decoration of Mandelle Library.

Being lovers of good food, the group joined their brother Philo for a steak fry at Milham Park. On November eighteenth, the girls enjoyed a chili supper in the small dining room.

The open meeting of November fifth featured “Old King Cole.” December followed this with its annual carolling. In January the society kept the campus activities rolling by sponsoring the successful “Soc and Saddle Hop.”

February brought with it the Alpha Sig initiation of twenty-six pledges, followed by a formal dinner at the Coach and Four.

Originally devoted to literary and forensic activities, the Phi Lambda Society, second oldest on the campus, was founded in 1856 under the name of Philolexian Lyceum. Having lost much of its previous formality, the society today takes an active and personal interest in all school functions. During the year the Philos won a first place “ribbon” in the inter-society singing contest with their original and hilarious “Red Herring Show.”

Plagued for years with the least attractive of the three men’s society rooms, the Philos are now undertaking a program of extensive redecoration.

Not restricting its interests to school activities alone, the society has adopted the Buena Vista School in the Philippines to which they have been sending much needed school supplies.

FOOTBALL

Kalamazoo College, for the second consecutive conference season, secured an MIAA co-championship in the field of football with a league record of three wins and two ties.

Hillsdale, with a similar record, was the sharer of titular honors and highlighted the local conference season in battling the Hornets to a thrilling 12-12 tie under the arcs of Angell Field in the climax of the campaign.

Kalamazoo opened with a burst of power, routing Olivet 41-0 and followed up the next week with a 13-13 tie with Wheaton of Illinois. Adrian fell 26-7 and Alma, in the homecoming game on Oct. 11, was swamped 26-0. Kent State handed the Hornets their only defeat of the season, 13-0, at Ohio. Hope and Hillsdale were tied on successive weekend, 6-6 and 12-12. Alma was beaten in a 32-6 trimming to conclude the season.

Center Howard Southworth, Tackle Al Grabarek and Fullback Gene Flow­ers were selected on the all MIAA first squad in post-season balloting. The Hornets are under the direction of Coach Robert Null and Assistant Coach Lloyd Grow.

BASKETBALL

For the second season under Coach Lloyd (Dob) Grow, the Hornet Basket­teers undertook a heavy cage schedule. The Hornets had twenty games scheduled for 1947-48, and they lost eight of that number. On February 6, they met and defeated Wabash. The following Saturday, Coach Grow took his team to Fort Wayne, Indiana, to meet a highly touted Valparaiso quintet. His squad undoubtedly played one of the best games of the season in beating Valparaiso 49 to 46.

This year's squad won six and lost four MIAA Conference contests to place fourth after Albion, Alma, and Hope.

Frank Walters, Robert App, and Robert Simanton are the only players who took part in all twenty games. Edward Poth very nicely filled in at center for Coach Grow. Poth's ability to get rebounds decided more than one game in favor of Kalamazoo. And Frank "Buckey" Walters' 187 points for a 9.35 average was also an advantage. "Buckey" led every category of statistics. He made 64 field goals, and 59 free throws out of 92 chances for a .641 percentage.

Robert App and Jack Marlette will be the only seniors lost from Grow's team.

BASKETBALL

LLOYD GROW
Basketball Coach

The Hornets in action
TENNIS

Kalamazoo College, always noted for its fine tennis, completed its '47 season with fourteen victories and five defeats. Five out of the six individual "Big Nine" single champions were beaten by Kalamazoo players. The Hornets also had a five to four decision over the '47 "Big Nine" Champions.

The annual southern trip was considered successful with victories over schools with notable reputations in tennis such as Presbyterian College, Davidson College, and Duke University.

With Jack Sunderland winning the singles title, and Arthur Leighton and Nicholas Beresky taking the doubles championship, Kalamazoo netters won their 12th consecutive MIAA title, taking all possible honors.

The loss of Alexander Hetzeck of the 1947 team was amply balanced by newcomers Victor Braden and Joseph Pizzati this year.

Again guided by our able Coach Allen B. Stowe and Assistant Marion "Buck" Shane, the 1948 tennis team looks forward to another highly successful season.

ATHLETICS

Cross Country

With all first year runners and only one returning letterman, Kalamazoo's cross country team finished second only to Albion in the M.I.A.A. Meet, and nineteenth in the National Meet, overshadowing a crack University of Detroit squad.

In a dual meet with Albion, Donald Stock, the number one man of the team, suffered a knee injury, lessening the team's chances in both the M.I.A.A. and National Meets. Stephen Smith, a first year runner, turned in a remarkable performance.

Golf

Winning only four out of ten matches and placing fifth in the M.I.A.A. tournament last season doesn't dim the hopes of Coach Nulf for this spring.

The Hornet golf team will be headed by Howard Southworth, James Cortfield, and Lawrence Hansen, who are returning from last year's team. A new M.I.A.A. rule places six men in competition instead of four which furnishes a good opportunity for all linksmen on campus.

Track

The Kalamazoo track team, ably guided by Coach Lloyd (Dob) Grow and Assistant Franklin Ware, will be built around the barriers of the cross country team.

Returning lettermen, Dan Owey, Wayne Glenn, Milton Christen, Albert Greely, Bruce Bruce, Cecil Dam, and several freshmen prospects, gives the coaching staff an optimistic outlook for the coming season. The schedule has not yet been released as this book goes to press, but the "K" track team can be counted on to bring home many laurels.

MEN'S INTRAMURALS

Throughout the winter months an intramural program was carried on by the Athletic Department. Most successful of the many activities was the ten team basketball league. The teams were chosen by classes from those wanting to play. All the participants enjoyed themselves and got plenty of exercise.

A championship game between the only two undefeated teams climaxcd the season. James Edwards' team won the title by downing Howard Southworth's team 28-22, in the game which was played as a preliminary to the varsity's meeting with the University of Detroit.

Captains of the other teams in the league were Frederic Tholen, Jack Sunderland, Douglas Bourgeois, John Lundblad, Allen Hansell, John Trump, and Joseph VanCuren. One Sophomore team had no regular captain.

High individual scorers for the season were: Howard Southworth, 126 points; Edward Glaser, 83; and Delio Frisoni, 75.

Other sports included in the program were wrestling, boxing, and gymnastics. Mr. Grinbarg's direction of the wrestlers made it the most popular of the three.
THE ATHLETIC BOARD

The Athletic Board consists of a faculty committee and three student representatives. The faculty committee, appointed by President Thompson and working in conjunction with the students is composed of Mr. Null, Mr. Grow, Miss Thompson, Dr. Dunsmore, Dr. Smith, Dr. Stowe, and Dr. Maxwell. The students are Jack Marlette, the Student Representative to the M.I.A.A., Robert App, Manager of Athletics, and Olive Austin Caldwell, President of W.R.A.

The offices of the organization are Dr. Maxwell, Chairman; Robert App, Vice Chairman; and Olive Austin Caldwell, Secretary. A provision has been made that a student representative should occupy at least one of these offices, affording the student body proper voice in the activities of the group.

This board, acting behind the sports scenes, has many important functions. Its jurisdiction includes the approval of all sports schedules to prevent conflicting events between schools. Another of its duties is the purchasing and presenting of all athletic trophies and awards.

WOMEN'S SPORTS

Under the direction of Miss Mary Thompson and Miss Barbara Johnson the W.A.A. has enjoyed a very successful season.

Volleyball was the first sport entered into. The freshmen entered four teams, the sophomores two, and the juniors and seniors each entered one team.

After Thanksgiving Vacation the W.A.A. started a basketball tournament. Six teams were entered. As soon as the snow was off the ground the girls went eagerly outdoors to play soft ball. Each team made a good showing.

This was the second year that play nights were sponsored by the W.A.A. Both fellows and girls participated. Badminton, volleyball, basketball, table tennis, and shuffleboard were a few of the activities offered.
WOMEN'S TENNIS

Last year, under the excellent coaching of Dr. Stowe and Mr. Marion Shane, the girl's tennis team won the M.I.A.A. Team Championship for the third time in a row. Joan Robinson won the singles title, while Eleanor Born and Sibil Widmann composed the second place doubles team.

This year Miss Thompson will have charge of the girl's tennis team and it is hoped that an extensive schedule can be arranged. With such experienced players as Joan Robinson, Harriett Stowe, Mary Braithwaite, Barbara DeLong, Helen Walker, and Eleanor Born, the girls should have a successful season.

Archery is a good all-year-round sport.

Sutherland Paper Company
Kalamazoo, Michigan

Kalamazoo's Largest Manufacturer
Serves Many Fields

You'll see these trade marks all over the nation. Each identifies a leader in the paperboard specialty field. They are added diversification in Sutherland's production of packages for America's famous "brand-names". This ever widening scope of operation has been responsible for Sutherland's 31 years of sound, uninterrupted growth. In it lies assurance of steady future expansion...new opportunities for individual advancement throughout the Company...continued prosperity for its employees—today's highest paid in the paperboard industry.
Dine where they serve tempting preserves and jellies from Sexton’s Sunshine Kitchens. They are famous in 48 states for their pure fruit goodness.

"Quality Clothes"
TO STUDENTS and TEACHERS

Congratulations

College years are happy years for most young men and women. In addition to work and study, the many social activities, sports events, and the thrill of graduation account for pleasant memories that last all through life. But there's one person in that picture who is generally overlooked, and it isn't until the student starts to make his way in the world that he fully appreciates how much his teacher or instructors meant to him. School teachers are mighty important people. Teachers more than any other group have the greatest responsibility for building strong characters and molding the ideals of good citizenship among today's young men and women...our leaders tomorrow.

Reddy Kilowatt, your electric servant, wishes you and your teachers every success in your future undertakings.

BEMO POTATO CHIPS
Quality, Integrity and Dependability have established themselves as a definite tradition with Pontiac. We have been constantly on the alert for new and improved procedures in yearbook designing and service. Our modern precision equipment is concrete evidence of adherence to this policy. Our experienced craftsmen and servicemen are carefully supervised by experts in the field of distinctive school publications. We are proud to have played a part in the publishing of this book in the capacity of official photo engravers. Our entire personnel congratulate the staff for their splendid work and cooperation.

ACKNOWLEDGMENTS

The editor wishes to express her deep appreciation to all those whose help and cooperation has made possible the publication of this 1948 Boiling Pot. Especially she would like to thank Miss Virginia Earl for her help as faculty adviser, The Faculty Committee on Student Publications, Mr. Ward Goodrich of Hiliny Brothers Everard Company, Printers, Mr. Edward Kaze of The S. K. Smith Cover Company, Mr. Norman Koenig of The Pontiac Engraving and Electrotype Company, Mr. Joseph Schiavone of the Schiavone Studios, and the student staff for their faithful assistance.

All pictures of student groups were taken by Marvin Mantin and Roger Ewell. All new pictures of the campus were taken by Schiavone Studios, and the pictures of Angel Field and Dumas Stadium were made by Ward C. Miners Studios.
