This will be a gala homecoming for one real Kalamazoo College family, because, for the first time since 1933 the Reverend and Mrs. Leon Rowland, will be in Kalamazoo to attend the annual reunion. For seven years they have been 'way off in India occupied with missionary work . . . a real College family because father, mother, and three of the four children appear on the roster. The Rev. Rowland and his wife both graduated with the class of 1914, Son Bob is a senior this year, Daughter Charlotte is a sophomore and Little Sister Ardith is a freshman. The family is reunited for a "once-in-a-blue-moon" year's residence in Kalamazoo where they live at 2718 Oakland Drive. Next Homecoming will probably find them off for another stay in the Far East . . . "Just think," remarks Charlotte wistfully, "The next time I see my parents I'll be 26!"
