

Lillian Anderson Arboretum

Directions: The Arboretum entrance is located 1.8 miles west of the intersection of M-43 (West Main St.) and US 131 in Oshtemo Township, Michigan, (which lies just west of the city of Kalamazoo). Take exit 38B off US 131 in the direction of South Haven and keep going westbound, past 9th Street (Meijer's). The Arboretum is located up a small, paved, unmarked road just under a mile west of 9th street on the south side of M-43 (left side, if coming from US 131 or Kalamazoo). There is no sign visible from the highway. Look for the white, wood-frame Anderson/Langeland house, also on the south side of the road. The Arboretum driveway is about 100 yards west of the house (past it, if coming from Kalamazoo).
