Kalamazoo College Yearbook

This yearbook was made with the intention of covering the 2019-2020 academic year at Kalamazoo College. The staff, to whom in mainly unnamed due to an extensive period in which the book was untouched, created what was supposed to be the newest edition of Boiling Pot as a new Student Organization.

Unfortunately, due to the Covid-19 Pandemic the production of it came to a complete stop, as many other aspects of life did during the first wave of lock downs. Due to online classes in Spring of 2020, and the following academic year (2020-2021) also being online, we were unable to produce a completed edition of Boiling Pot. The following edition of Boiling Pot is a visual representation of how the community and culture at Kalamazoo College prior to the Covid-19 Pandemic.
