BROADWAY
COMES TO "K" CAMPUS

Player's Club initial 3 act public production will be Valentine Kaytacev's hilarious farce SQUARING THE CIRCLE. This satire of New Russia with a cast of seven men and five women will be presented early in November, and try-outs to be held next week will be announced at Thursday night's club meeting. The authentic Soviet touch is given by the circumstances that two newly married couples--mismatched, of course--are obliged to live in a single room because of the acute shortage of housing, sharing and involving each other in love and political theories.

TRY OUT!

The first meeting of the College Players will be held Thursday night on Bowen 3rd. A cordial invitation is extended to all drama enthusiasts--old members, new students and even freshmen.

Do you want to be a member of Player's Club. You do? Can you paint, drive nails, live without sleeping and eating?
P.S. Can you act?

The "K" College Players Club is opening its season this coming Thursday evening at 7:30 p.m. with the one-act play "Joint Owners in Spain". This shocking expose of an old ladies home will be staged in Kalamazoo's most celebrated Bowen Auditorium. The show is as rollicking as shocking with Bev Carlisle, Liz Osborne, Liz Morris, and Jane Tyndal heading the stellar cast of four. We wish to remind the gentlemen that there will be no admission charge and to bring their girls. They'll scream!
Someone's favorite man will sing!

The Players had a very successful season last year and they have every reason to believe that the 48-49 season will be even better. Season tickets will not be sold this year but your patronage will be appreciated.

WANTED! All students to save their pennies for the repeat performance of the PENNY JAMBOREE.
